Date: _____

At _____ (veterinary office) we would like to support DVIS/Call Rape as they build a new kennel to keep survivors of domestic violence and/or sexual assault with their beloved pets.

According to the National Coalition Against Domestic Violence, up to 65% of domestic violence victims are unable to escape their abusers because they are concerned about what will happen to their pets when they leave.

We understand that DVIS/Call Rape will be applying for grants that need support from local veterinarians to apply. We'd like to partner with DVIS/Call Rape by providing _____

_____ at their new kennel.

Sincerely,
