Help support the ReBUILDING Lives Capital Campaign to build a new emergency shelter and transitional housing by purchasing a brick paver.

The brick sidewalk will be placed in front of the shelter and can include your name.

The new shelter will serve the Tulsa and Creek County communities. By establishing a new, 32,000-sq. ft. facility, doubling the size of our current facility, we will be able to accommodate the need in our area—an expansion from 50 to 80 beds and additional space for providing services.

Brick Information:
